In the matter of: Anderson / Osborne et al

January 14, 2018

Case No. 17cv539, (VB), (L.M.S.)

Dear Hon. Smith,

I wish to request an extension of "January 31, 2018" deadline. (Responding to defendant's "first set of Interrogatories, Defendants first set of document demands.")

The reason I wish to make such request is, I'm going to have surgery (shoulder) within the next few days. Normally, when a surgery such as the one I'm having, requires, days in facility infirmary, days, sometime weeks, on medical keeplock, (inside cell 24-7). Due to the above mention circumstances, I will be unable to attend to law library, which will ~~hinder~~ hinder me from receiving the assistance that I need.

I wish to request a 30 day extension (until, approx. March 2, 2018)

Very truly yours,

Jerome Anderson

Defendant

Civil Action No. 17cv539

NOTICE, CONSENT, AND REFERENCE OF A CIVIL ACTION TO A MAGISTRATE JUDGE

Notice of a magistrate judge's availability. A United States magistrate judge of this court is available to conduct all proceedings in this civil action (including a jury or nonjury trial) and to order the entry of a final judgment. The judgment may then be appealed directly to the United States court of appeals like any other judgment of this court. A magistrate judge may exercise this authority only if all parties voluntarily consent.

You may consent to have your case referred to a magistrate judge, or you may withhold your consent without adverse substantive consequences. The name of any party withholding consent will not be revealed to any judge who may otherwise be involved with your case.

Consent to a magistrate judge's authority. The following parties consent to have a United States magistrate judge conduct all proceedings in this case including trial, the entry of final judgment, and all post-trial proceedings.
